## General Information

**Reminder for Parents:** All children under 8 years old  
need to be accompanied by an adult to play in the Lake  
Naomi Clubhouse Game Room.

**Speeding Notice:** The speed limit in Timber Trails is 25  
MPH. Frequently in our haste to make a tee time, ten-  
nis lesson, or other activity we tend to ignore this limit.  
In order to help prevent potentially tragic accidents, we  
are asking everyone to please SLOW DOWN.

### Lake Naomi Clubhouse Dress Code:

**Attire:** In order to maintain the quality experience that  
the Members expect at the Lake Naomi Clubhouse,  
Club Members and Guests should wear appropriate  
attire when dining at the Lake Naomi Clubhouse. Jack-  
ets are not required but they are welcomed at all times.

**The Main Dining Room and Tall Timbers Room:**  
Gentlemen must wear a collared shirt or a comparable  
dress shirt at all times. Beach attire, T-shirts, cutoffs,  
tank tops and hats are not permitted at any time. Ex-  
cept for special functions where they are appropriate  
(for example, square dances and western night), blue  
denim jeans are not permitted on Saturday nights. **The  
Grill Room:** Gentlemen are requested to wear a col-  
lared shirt or a comparable dress shirt at all times. In  
the summer, if entry is from the deck in beach attire, a  
cover-up and shoes are required. Cut-offs, tank tops,  
and hats are not permitted. **The Outdoor Deck:**  
Beach attire, cut-offs, hats and jeans are permitted.  
Please inform your guests of these policies before they  
arrive at the Clubhouse. **In the event of questionable  
attire, the decision of the Clubhouse Management  
will be final.**

**Paintings in Clubhouse** - The Pocono Mountain Arts  
Council is displaying paintings by local artists in the  
Clubhouse. The paintings are for sale and a price list  
may be obtained from June Schott at 646 - 0379.

**Fishing in Lake Naomi** - The Lakes Committee en-  
courages LIVE RELEASE of all trout. All bass and  
walleye must be alive when released. Take special  
care to not over tire, squeeze, or injure the fish. If pos-  
sible, keep the fish in the water and gently remove the  
hook and release when fish is revived. If fish is deeply  
hooked, simply cut your line. Releasing these species  
not only increases reproduction but allows them to pro-  
vide your sport another day.
